

## Retracting on order form

By **kevinlucas**, on **30/03/2010** at **11:25**

Hi,

I signed an order form for solar panels on Tuesday 23 March and I would like to retract. I would like to know exactly until what date I can send a recommended one. Thank you for your answer.

Cordially

you have a 7 day deadline starting from the day after the day of the order or of the signature of the contract made in demarchage  
if the deadline expires on a Saturday, Sunday or public holiday, it is prorogated to the first working day  
send the retraction form by registered mail with acknowledgment of receipt  
as information, how much does it cost
