

Retracting contract with a tenants office

Par **cissou76**, le **18/11/2010** à **19:13**

Bonjour,

I signed a contract with a tenants office and I paid two cheques in order to obtain lists of apartments.

Less than 24h after the signature of this contract, an organization where my company is based, called me to propose an apartment and after visiting it, I accepted to rent it.

I went back to the tenants office in order to cancel the contract knowing that I had not called any landlord mentioned in the list provided by the tenants office.

The person with whom I signed the contract, told me to make a recommendation explaining what had happened but nothing is sure for the reimbursement.

I wanted to know if there was a possible recourse to be sure to get the reimbursement ? because for them, the possibility of retracting within 7 days, does not apply in these types of contracts.

Thank you in advance for the answers I am waiting with impatience !
