Firstly, one has to transfer their cryptocurrency from their Coinbase wallet to a Coinbase account. Here's how:

- **Open Coinbase Wallet:** Open the Bitcoin wallets and applications interface; in this specific instance, open the Coinbase Wallet on your device.
- **Select the Cryptocurrency:** Select the cryptocurrency you want to transfer to the sale list.
- **Send Funds to Coinbase:** Press on 'send', then in the field that is opened fill in the amount you would like to transfer and the Coinbase; account address. This address is located on the Coinbase account via the "Receive" option corresponding to the specific cryptocurrency.

2. Convert Cryptocurrency to Fiat Currency on Coinbase

The next process after you get your funds into your Coinbase account is to 'cash out' in other words exchange your cryptocurrency for your conventional money type (USD, EUR, GBP, etc.).

- **Log in to Coinbase:** Open Coinbase either via the website or the application that you downloaded on your device.
- **Navigate to the Trade Section:** You then click at the top of the screen at the word "Trade".
- **Select Sell:** Select the type of cryptocurrency you want to convert and the option "Sell" to continue the process.
- **Choose Amount:** Type the quantity in which there is an intended sale and complete the transaction.

3. Withdraw Fiat Currency to Your Bank Account

Since your funds are now in Fiat money, you can go ahead and cash out to your bank account.

- **Go to the Portfolio Page:** Navigate to the menu bar on the top of the screen: here, click on

“Portfolio.”

- **Select Your Fiat Wallet:** Select the fiat currency wallet through which your funds are hold.
- **Click Withdraw:** Go to “Withdraw” and pick “Bank Account.
- **Enter Withdrawal Details:** Enter the quantity you wish to withdraw as well as your bank particulars.
- **Confirm the Withdrawal:** Now inspect all the details one more time and then finalize the withdrawal. The time it takes for your funds to reflect in your bank account is usually a few business days.
