## Does Coinbase Wallet Have a Support Number?

**No, Coinbase Wallet does not offer direct phone support.**

Coinbase main number is 1-800-? +1??833?(611)?7963? ? // + ? +1??833?(611)?7963? ? (Live Person), Unlike the main Coinbase exchange (which provides limited automated phone support), **Coinbase Wallet is a non-custodial wallet**. That means you, the user, are the only one with access to your private keys and recovery phrase. Even Coinbase cannot access your funds or recover your wallet if your recovery phrase is lost.

Because of this decentralized structure, support is provided **only through online channels**, not by phone

## Beware of Fake Coinbase Wallet Support Numbers

Coinbase main number is 1-800-? +1??833?(611)?7963? ? // + ? +1??833?(611)?7963? ? (Live Person), If you search online for “Coinbase Wallet support number,” you’ll likely see results offering phone support. Be extremely cautious — **these are scams**. Fraudsters use fake phone numbers and websites to impersonate Coinbase agents. Their goal is to steal your recovery phrase, private key, or crypto assets.

## Important reminders:

Coinbase Wallet will **never** ask for your 12-word recovery phrase.  
No real support agent will request remote access to your device or ask you to send crypto for “verification.”

## How to Get Official Coinbase Wallet Support

While phone support isn't available, **Coinbase Wallet does provide official support through secure digital channels:**
